NEVIN KELLER TRANSFERRED TO SCRANTON JAIL

James Nevin Keller, 31, accused of holding up the National Bank of Arendtsville and escaping with $25,782 last November 7, will be arraigned in U. S. district court Thursday afternoon at 2 o'clock on two indictments handed up against him by a Middle District grand jury. Keller was taken to Scranton Sunday under police custody from Peoria, Ill., where he was arrested June 17 after a gun fight.

The parents of Keller, Mr. and Mrs. Harold W. Keller, Gettysburg R. D., have retained Attorney Charles W. Wolf, Baltimore St., to represent their son. They have asked him to review the facts in the case and advise their son accordingly whether to enter a plea of guilty or innocent.

Attorney Wolf said today he plans to go to Scranton Wednesday to confer with Keller and with U. S. attorneys concerning the case. He will then give his recommendation to Keller as to the type of plea to enter at the arraignment.

Faces Other Charges

Keller also faces charges under the Dyer act of transporting a stolen car across state lines, assault with intent to kill and unlawful flight to escape prosecution in addition to the bank robbery charge.

Miss Doris Jean Henderson, 28, Biglerville, charged with Keller on the bank robbery count, has been held in Dauphin County prison in Harrisburg. Her attorney, Eugene R. Hartman of Gettysburg, has announced that she will sign a plea of guilty to the bank robbery charge when she goes before a federal grand jury for sentence. Mi Henderson has made a statement to the federal authorities admitting her part in the bank holdup.

Late last October Keller escaped from the Franklin County jail at Chambersburg during a visit with his parents. A few days later a car was stolen from the Warren Chevrolet Garage here, and Keller and Miss Henderson are charged with that theft. The car was recovered later in Virginia.

Arrested In Tucson

Following the bank robbery at Arendtsville the couple fled the state and were arrested in Tucson, Ariz., on May 7 where FBI agents found them living under the name of "Mr. and Mrs. Harold Johnson, Albuquerque, N. M." On June 13 at Midway airport Chicago, while they were being taken east from Tucson, Keller escaped from two U S. marshals in the confusion surrounding a fainting spell by Miss Henderson. Officers were not permitted to handcuff the couple while in flight and while transfering to another plane the escape resulted.

Keller was caught four days days later in a coal yard at East Peoria, Ill., when two policemen accosted him for loitering. Questioned he drew a gun and ran. The police shot him in the thigh, captured him and he spent five

If you read the article, "Lychee: Fruit With A Future," by Lawrence Dame in the July issue of the American Mercury magazine, you may be among the Gettysburgians who permitted their memory to drift back many years to Hop Lee, the Gettysburg Chinaman.

Author Dame says that "Always featuring the exotic, Florida has become excited by a fabulous fruit that seems new, but actually dates back in origin to times before Confucius in China. It is the lychee, best known in this nation as a dried 'nut' but resembling a luscious sort of tree strawberry in its ripened state. An increasing legion of devotees of the rosy, ripe lychee say that it is truly a fruit fit for the gods, and worthy of the adulation heaped upon it for centuries in the Orient."

Some Gettysburgians will immediately link the lychee with Hop Lee, the Chinese laundryman who lived here a number of years ago His laundry was on Carlisle St, on the site now occupied by the business office of The Gettysburg Times. Next door was the popular restaurant operated by the

Pro-Soviet Officers Purge Rightists From Politically Powerful Army In Syria

By TOM MASTERSON

BEIRUT, Lebanon (AP)—Volatile Syria apparently moved closer to the Communist bloc today as pro-Soviet officers purged rightists from the politically powerful army.

Gen. Afif Bizry, known throughout the Middle East as the most extreme leftist in Syria's army, took control of the army over the weekend, usually reliable sources said.

Bizry, 43, a known Communist, immediately began to purge right-wing opponents. Thirteen officers were fired or resigned in Damascus and a number fled to Beirut.

Virtual Coup D'etate

While Premier Sabri Assali's Moscow-oriented government seemed to have been strengthened President Shukri Kuwatly's professed neutrality between East and Wst—already cloudy behind Russian arms deals—became a little more indistinct.

Kuwatly had once threatened to resign rather than let Communist supporters take complete control of the army. But the weekend's virtual coup d'etat by leftists came with formal approval of the sick President.

Kuwatly signed a presidential decree Saturday jumping Bizry from lieutenant colonel to general and making him army commander in chief and chief of staff, an official announcement said.

Talks With Nassar

Then, amid rumors that Kuwatly had resigned—which Assali denied—the President flew to Egypt yesterday. In Cairo for the third time in six months, he talked with Egyptian President Nasser for more than an hour.

The Syrian and Egyptian armies are united under the joint command of an Egyptian officer and both are heavily stocked with Soviet arms. But Nasser has kept his own Communists suppressed

Purpose of Kuwatly's trip wa officially announced a a medical checkup in Alexandria. He flew to Alexandria after seeing Nasser and went to a hospital.

In Best Red Fashion

The events that brought Communists to power in the army of Missouri-sized Syria began — in the best fashion of Soviet Russia—with charges of foreign plotting to overthrow the government.

Well-informed sources here said Syria's charge last Tuesday that the United States was seeking to

DaughterOfU.S.AmbassadorDoddLinkedToRedSpyRing

WASHINGTON (AP — House investigators say testimony by U.S counterspy Boris Morros clearly establishes the daughter of a former U.S. ambassador "as part of the Soviet apparatus."

Chairman Walter (D-Pa) of the House Committee on Un-American Activities said Morros has named Martha Dodd Stern as a Soviet spy who once tried to betray Morros' counterspy activities to the Soviets.

Mrs. Stern is the socialite daughter of the late William E. Dodd, who was ambassador to Nazi Germany from 1933 to 1938 She and her husband recently vanished from Mexico City and belief has been expressed both are now behind the Iron Curtain.

Husband Part Of Ring

Walter said testimony by Morros "clearly established Martha Dodd . . . and her husband, Alfred Stern, as part of the Soviet apparatus." Stern is a wealthy investment broker.

Morros, a Russian-born Hollywood composer-director, was revealed last week as a double agent who had fooled the Soviets for 12 years. He gave first details in a news conference in New York, and Walter said he gave the committee further information under oath in New York Friday.

Walter said his committee had been in contact with Morros for the past six months, and has gleaned much valuable information from him. This, Walter said, included statements that:

1. A secretary in the U.S. Embassy in Prague, Czechoslovakia, and a member of the U.S. intelligence agency in Germany were Soviet agents. The individuals were not named.

2. Morros' superiors in the Soviet espionage net asked him to get compromising information about President Eisenhower and other prominent Americans.

3. Fifty-five business firms in the United States were really covers for Soviet espionage activities None were namd.

A committee aide said Mrs. Stern's alleged activities in behalf of the Soviets occurred in the 1940s.

LOCAL FIREMEN HAVE 4 CALLS

Gettysburg firemen responded to four alarms over the weekend—but fought only one fire.

Saturday afternoon they were called at 1 o'clock to the Steinour property on Gettysburg R. 1, near Clapsaddle's quarry, and found on their arrival that the Steinour family had succeeded in beating out blazing grass while firemen were enroute.

They returned to their homes and at 2:55 o'clock were called to a grass fire near Seven Stars because the Cashtown Fire Company was fighting a grass fire along the old Lincoln Highway west of Cashtown at the foot of Mt. Newman. Upon their arrival at the Seven Stars fire the Gettysburg firemen found the Cashtown service truck had arrived and had the fire under control.

The Gettysburg firemen turned around and were headed home when they received by radio a call to a grass fire along the Bonneauville-Two-Taverns Rd. They arrived there to find that Bonneauville firemen had already arrived and had the grass blaze under control. So they returned home without having had to do anything at any of the three fires.

Sunday afternoon at 12:30 o'clock they were called to a shed fire at the property of Mrs. John Zurgable, 234 W. Middle St. There they extinguished the blaze which had burned one side of the wooden shed. Damage was estimated at $150. Firemen said the shed was believed to have caught from a trash fire nearby.

The government ordered three American diplomats out of the country after charging a U.S. plot to "buy" a pro-American regime with economic aid offers after a coup d'etat. The State Department called the charges pure fabrication and expelled two Syrian diplomats in retaliation.

Left Without Struggle

Two days after the plot charges, the government announced that Gen. Tewfik Nizam Eddin, 44, had requested retirement from the post of chief of staff which he assumed last year. He left without a struggle, apparently at the instigation of the leftist group.

Persons here familiar with the Syrian scene noted that Kuwatly and Nizam Eddin have been out of the country recently, leaving a free field for the leftist plotters.

"SELF-MADE MAN"

Many things that once were common . . . are now few and far between . . . and the self-made man is someone . . . all but faded from the scene . . . in this world of big machinery . . . men are tools of fate and gears . . . everything is scentific . . . even to our doubts and fears . . . gone are small organizations . . . prevalent are big combines . . . all that's left of pioneering . . . are the statues and the shrines . . . chain stores dominate life's highway . . . syndication pays the cost . . . soon the self-made man will vanish . . . for his tries are all but lost . . . men today depend on friendship . . . for that little push they need . . . others rely on their families . . . to promote them to succeed . . . most elite and quite uncommon . . . are the men who are self-made . . . for it seems we need assistance . . . if we are to make the grade.

Countian Sees His Daughter Take Vows

Miss Eleanor M. Miller, Baltimore, and her father, Charles F. Miller Sr., New Oxford, went to Columbia Thursday to attend the ceremony at St. Joseph Convent of the Sisters Adorers of the Most Precious Blood, wherein Miller's younger daughter, Sister Maria de Mattias, the former Mary C. Miller, pronounced her final vows.

Sister Maria de Mattias received her early education at Immaculate Conception Parochial School and Delone Catholic High School, graduating from the high school in 1941. She was chief operator at the New Oxford telephone exchange for a time. She is now assisting at St. Anne's Home, Columbia, a nursing home for elderly Catholic men and women.

Young GOP's Elect New State Officers

PITTSBURGH (AP) —Suzy Franks of Lehigh County is the new vice chairman of the Young Republicans of Pennsylvania.

She was elected at a meeting Saturday to succeed Rosemary Mazon of Pittsburgh who recently was named to the group's national executive committee.

Other officers elected:

Elsie D. Young of Indiana County, national committeewoman; Gloria Sabantini of Philadelphia, secretary; Ellen Roberts of Chester County, assistant secretary, and Isabelle Greene of Westmoreland County, member of the board.

Kenelm Shirk of Lancaster was elected state president earlier this year. Next year's convntion will be held in Erie.

Capital Walls To Be Cleaned

HARRISBURG (AP)—The dingy-looking granite walls of the State Capitol are in for a $300,000 cleaning.

It will be the first time the beautiful — but begrimed — capitol will be sand-blasted and steam cleaned in 23 years.

Gov. Leader has approved the project as part of a $890,000 improvement program on state grounds.

Another big project is the demolition of two of five World War I vintage buildings in the rear of the main capitol structure.

The so-called "temporary buildings" have been a target of destruction by every governor in nearly 40 years. But the pressing need for office space always intervened.

Bids for knocking down the two "temporary" buildings will be asked next month. Erection of two new office buildings in Harrisburg opened the way for abandonment of the old wooden structures.

Rod, Woodshed Are Good For Children

NEW YORK (AP) — Evangelist Billy Graham says he approves use of the rod and trips to the woodshed to discipline children.

Graham addressed an audience of 19,000 last night in another of his New York crusade meetings in Madison Square Garden.

The evangelist said parents should discipline children with love and understanding. Parents, he added, should set a good example for their children and provide them with regular religious teaching.

Graham told the teen-agers in the audience that they could get inner beauty and outward charm from Christ. He chose as his text a passage from Luke describing how Christ, as a teen-ager, grew in stature and in favor with God.

At Graham's call 501 persons came forward to make "decisions for Christ."

County Doctors To Serve At Convention

Adams County physicians have been named to take part in the 107th annual meeting of The Medical Society of the State of Pennsylvania in Pittsburgh, September 15 to 20.

Drs. James H. Allison, secretary of the Adams County Medical Society, and Roy W. Gifford, both of Gettysburg, will serve as delegates from this county and sit on the deliberations of the House of Delegates, the policy-making body of the state society. Alternate delegates include Drs. Kenneth M. Ehrhart, of New Oxford, president of the Adams County Medical Society; James H. Hammett, of Fairfield; and George N. Ewing, of Gettysburg.

More than 2,000 Pennsylvania physicians will attend the annual meeting to hear scientific papers on the latest in medicine and surgery, to view the pharmaceutical exhibits, displays of medical and hospital equipment, new techniques in diagnosis and treatment, and to be present at the state dinner and medical alumni gatherings.

Dryness In Michaux Becoming Critical

Dryness in the Michaux State Forest is bordering on the critical stage.

Several small conflagrations allegedly started from unextinguished camp fires, have been trapped just in time, William F. Vanidestine, district forester said Saturday. The fires burned over less than an acre.

The forest areas have had no appreciable rainfall in the last month.

Foresters are constantly on guard against fires, especially in public camp areas and along the Appalachian Trail. Thousands of persons vist the forest areas daily, Vanidestine said.

NEW YORK (AP)—The stock market eased in slow early trading today.

Leading issues slid from fractions to around a point as Wall Street showed no signs of arousing from its sluggish mood.

The slightly lower trend at the opening became a bit more pronounced as dealings continued. Financial observers saw little in the weekend news to spur buying.

JERUSALEM, Israel Sector (AP)—Rabbi Aharon Rokach, 80, leader of the Jewish Hasidic movement and the last survivor of a line of Hasidic rabbis, died yesterday.

TURIN, Italy (AP)—Giovanni Farina, 72, a pioneer in automobile body designing, died yesterday.

NEW YORK (AP)—Orville Harden, 63, retired vice president of the Standard Oil Co. of New Jersey, died Saturday.

days in the East Peoria Hospital.

Held on a charge of assault with intent to kill, he was identified through fingerprints sent to the FBI. He had again used the name of Johnson when captured by the East Peoria police.

The daring daylight robbery at the Arendtsville bank took place at 12:13 p.m. Nov. 7, when two unmasked bandits, one wielding a sawed-off shot gun, backed Miss Betty Hall, Orrtanna, a teller, and Mrs. Olive Bushey, near Arendtsville, an assistant cashier, against the wall and scooped the money into a sack. They escaped in a large, muddy blue car.

Following the Chicago escape Miss Henderson denied that she had any part in planning the crimes but said she simply accompanied Keller because she thought she "was in love with him." She assigned her interest in the trailer in which she had been living with Keller at Tucson, a refrigerator and other appliances to the bonding company which covered the loss to the bank from the holdup. At that time Attorney Hartman said that he understood that cash recovered and property assignments have repaid "over $15,000" of the $25,782 stolen from the bank.

Littlestown Items: Last Tuesday, August 15, being the anniversary of the 89th birthday of mother Elizabeth Sell of this place, it occurred to her only son, Mr Isaac Sell, that it would be in harmony with the instincts of filial love and afford an occasion for a pleasant family reunion, to give a dinner in recognition of the event. He accordingly invited to his residence on Frederick street his aged mother, his two sisters, Mrs. William Welkert (and husband,) and Mrs. Harriet Mehrnig; also Rev. E. J. Metzler and wife, together with his pastor and wife. A sumptuous dinner was served and a most delightful time in conversation had, concluding with a Psalm and prayer. Notwithstanding her advanced age, she is vigorous in constitution, clear in mind, good in memory, and seldom out of her accustomed pew in the sanctuary on the Lord's day. May the few years which may be yet granted her be fragrant with the piety which the ripeness of sanctified old age casts upon the shadows of life's evening.

Today's Talk

SAVE AND PAY

The most comfortable feeling in the world is to be able to say that you do not owe another person, or organization, anything. This state can be brought about solely by saving a regular amount each week from earnings and putting it into a savings bank. It will bless you more than you can imagine if you have never done this.

Get the idea out of your head that the government is going to take care of you. Bear this in mind: You are the government. We all are. The government gives to the thrifty a nice boost when they get into their later years, but it is what you have saved or invested, that is sure to count most, and most happily. Keep saving, and pay as you go, or don't go!

You will cheerfully pay your bills when you know you have money saved for that purpose. You will feel like a distinguished somebody when you refuse to go into debt, and pay your obligations promptly as they come due. I once knew an interesting man who had become very wealthy. He told me he started out as a boy putting aside ten cents each week.

When you put your savings into a bank, or invest them in a good security, that money then starts to work for you — and it works for you while you sleep, play, or travel about. Do this and your old age will be a kindly and pleasant one. Unworried people bless themselves.

Save, and always be ahead, so that you can pay your obligations promptly. Credit is a courtesy. Do not abuse it, or allow it to become cold. I recall hearing that a certain minister used to borrow ten dollars every Saturday from a member of his congregation, and promptly repaid him the following Monday. He said he did this because he preached a better sermon with money in his pocket. He should have saved, and then it would have been self helping self!

Tomorrow Mr. Adams will talk on the subject: "The Glory of Memory"

POLITICS

I think if one man dared to say:
"I will not count the sheep as goats
Nor seek the office for the pay
Nor barter what is right for votes,

"For friends forget about the laws;"
When first he ran 'tis likely he,
With self-success below the cause,
Would by a large vote chosen be.

But, if he stayed an honest man
And kept his word, beyond a doubt
If for a second term he ran
Even his friends might vote him out.

EDUCATORS WILL SURVEY STATE'S RACIAL PROGRAM

HARRISBURG, (AP)—The Department of Public Instruction said today it plans another look in the fall at racial integration in Pennsylvania's public schools.

A department spokesman said it anticipated no segregation problem anywhere in the commonwealth since the practice of it on grounds of race, creed or color is barred by law.

A survey last spring unearthed three surprise cases of admitted Negro pupil segregation in the school system but the spokesman said "they would be out of the woods by this fall."

Three Schools Involved

The three schools involved at the time were Steelton in Dauphin County and Coatesville and Kennett Square in Chester County.

The new survey, tentatively planned for October, is expected to run over the same ground as the previous questionnaire except that more specific questions will be asked.

The department said school administrators will be requested to make detailed breakdowns on the number of Negro teachers in the schools under their jurisdiction.

Previous Survey

The previous survey showed only about 2,000 Negro teachers employed in public schools in the state out of a total of 72,000 teachers.

More than 1,600 of these are concentrated in Philadelphia. Allegheny has about 160 and Delaware County 140, leaving about 100 scattered in the remaining 67 counties of the commonwealth.

"We want to find out if the Negro teachers are concentrated in Negro areas or if they are allowed to teach in dominantly white schools as well," the spokesman said.

Gov. Leader already has ordered the department to impose all possible pressure to erase any instances of racial segregation—either among pupils or teachers—in the public schools.

Sleeping Pills Kill Winnie's Son-in-law

LONDON (AP) — An overdose of sleeping pills took the life yesterday of Anthony Beauchamp, husband of Sir Winston Churchill's actress daughter Sarah, police said.

The 39-year-old society photographer and television producer apparently died alone in his apartment overlooking Hyde Park. He had not been seen lately with Sarah, who is four years his senior.

Their marriage was rumored finished, London newspapers said, but there was supposedly an agreement for "no divorce while Sir Winston is alive." The former Prime Minister is 82. A former husband divorced Sarah in 1945 on grounds of desertion.

CATHOLICS GET ANNUAL APPEAL FOR CHARITIES

The Rev. William A. Boyle, pastor of St. Aloysius Catholic church, read a pastoral letter from the Most Rev. George L. Leech, bishop of Harrisburg, at the masses on Sunday morning, concerning the annual appeal for the Orphans and Catholic Charities of the Diocese, for which a collection will be received at the masses on next Sunday.

In addition to providing for the children at Sylvan Heights and Paradise Protectory, Catholic Charities has placed 36 legally adopted babies in homes and 107 children in foster homes; they bought the clothes, fuel, food and medical care and paid the rent that enabled 788 families to stay together; they placed 102 children in special institutions at St. Edmond's Home for Crippled Children, Archbishop Ryan Memorial Institute for the Deaf, Elwyn Training School for Retarded Children, and St. Joseph's Neurological Hospital. Catholic Charities also provide food, clothing and medical help to the transients who come to their doors for help. The parish assessment is $650.

The pastor will be away this week and there will be no morning masses. In case of emergency and the need of a priest, members of the congregation are requested to call Annunciation of the Blessed Virgin Mary rectory, McSherrystown. Father Boyle also announced that a mission will be held in the parish from September 8 through 15, and confirmation for children will take place this fall. Committees for the Saturday night party in the parish hall at 8 p.m. were appointed as follows: arrangements, Conrad C. Hull, Merle Little, Bernard Stuller, George P. NEW YORK WILL OPEN THRUWAY TO PA. BORDER

ERIE, Pa. (AP) — A New York Thruway extension that runs to the Pennsylvania border will be opened to traffic Wednesday, but motorists will be unable to drive into the Keystone State on the new highway.

That's because the Pennsylvania highway that is to connect with the extension has not yet been built. Consequently, the New York extension ends in an apple orchard in Pennsylvania.

The Pennsylvania section will be called the Erie Throughway and will run 47 miles across Erie County in northwestern Pennsylvania to the Ohio line.

Bids Open Now

Bids for construction of a portion of the Erie Throughway are being accepted now, but officials estimate it will be two years before the entire stretch of road is ready for use.

Ohio has not yet built a highway to tie-in with the Erie Throughway but plans to construct one to connect the Erie Throughway with the Ohio Turnpike.

For the time being, New York Thruway traffic headed for Pennsylvania will leave the Thruway at Ripley and take Routes 20 and 5 into Pennsylvania.

47 BRIDGES RESTORED

HARRISBURG (AP) — A two-year restoration project has now returned to service 47 of the 90 bridges destroyed by Hurricane Diane in northeastern Pennsylvania.

The State Highways Department reported that $7,801,509 has been obligated for bridge restoration in Monroe, Pike, Lackawanna, Luzerne and Wayne counties.

County Agent Says 1958 Hay Crop Hurt

PHILADELPHIA (AP)—Marion R. Deppen, Montgomery County agricultural agent claims if the drought destroys new crop seedings it would seriously affect the 1958 hay crop which would be fed to livestock through the spring of 1959.

Deppen made the statement Saturday as he and William F. Greenawalt, agricultural agent for Bucks County, estimated crop losses in those counties totaled $5,600,000.

Deppen said the drought could have a long range effect since most of the new seedings are already dead. He pointed out dead seedings sometimes recover but usually only when there has been ample rain prior to this date.

Greenawalt estimated Bucks County losses from the drought at about five million dollars. Deppen said Montgomery County had lost $3,600,000.

PRINCIPAL DIES

PHILADELPHIA (AP) — Funeral services for Jay W. Worrall, 68, supervising principal of Marple-Newtown schools, will be held Wednesday in Media. Burial will be in Media cemetery.

Worrall, who died yesterday at his Broomall, Pa., home, is survived by his wife, Elsie, and two sons, J. W. and Dr. W. Scott Warrall.

Worrall had been principal of the Marple Newtown junior high and elementary schools for 34 years. Previously he taught school in Media, Coatesville and Woodbury, N.J.

Williams-Mantle Duel Gets Spotlight As Yanks, Braves Hold Big Leads Over Weekend

By JOE REICHLER
The Associated Press

The spectacular battle between Ted Williams of the Boston Red Sox and Mickey Mantle of the New York Yankees for the American League batting title overshadowed the pennant races today.

The Yankees stretched their American League lead to 7½ games after a double-header and Milwaukee's National League leaders held to an imposing 6½-game edge despite two losses to St. Louis. But the baseball spotlight centered around the duel between Williams and Mantle.

Mantle had three hits in seven times at bat as the Yankees defeated Baltimore 7-0 and 3-2. He boosted his average to .385. Williams had one hit in four times at bat as Washington defeated Boston 6-4. His league-leading average dipped a point to .392.

Ma, Hit .400

With a little over a month of the season remaining, the chances of one or both finishing with .400 are far brighter than they were a month ago when both were hitting about 30 points below their current mark. Not since 1941, when Williams batted .406, has any major leaguer achieved the magic .400.

Stan Musial took over the batting lead in the National League, cracking two hits in each game as the Cards swept a rain-delayed double-header from the Braves 8-6 and 6-0. Musial's two-run homer in the 10th inning decided the opener and Vinegar Bend Mizell's four-hitter featured the nightcap, advanced within 7½ games of the Braves despite splitting a twin bill with Pittsburgh. The Pirates snapped a second-game 4-4 tie with four runs in the eighth for an 8-6 victory after Duke Snider's two-run homer had given the Dodgers a 2-1 edge in the first game.

Cubs Are Hot

The sizzling Chicago Cubs prolonged two streaks by whipping the Cincinnati Redlegs 8-2. They stretched their winning streak to six in a row and tagged the Reds with their sixth consecutive defeat. Hank Sauer's two home runs in the first game and Red Worthington's three-hit pitching in the second gave the New York Giants a 5-4 and 1-0 sweep of their double-header in Philadelphia.

Yogi Smacks 5

Dick Donovan's eight-hit pitching enabled the Chicago White Sox to salvage the final game of their four-game set from Detroit 4-1 after the Tigers had won the first game of the double-header 5-1 behind Frank Lary.

A grand-slam homer by Roy Sievers enabled the Senators to overcome a 3-0 Boston lead and make it two in a row over the Red Sox. Cal McLish pitched the Cleveland Idians to a 9-2 triumph over Kansas City with asix-hit performance.

Tom Sturdivant's five-hit pitching in the opener and Yogi Berra's five hits in both games highlighted the Yankees' twin victories. Berra drove in five runs, including all three in the second game. Bob Grim saved Don Larsen's seventh victory in the nightcap.

Lary, posting his sixth Detroit victory against 15 losses, helped his cause with a two-run single that snapped a 1-1 tie and handed Billy Pierce his ninth defeat against 16 triumphs. Sherm Lollar drove in two Chicago runs with a single and his ninth homer in the second game.

Gets 31st Homer

The Cardinals overcame a 6-1 deficit and finally triumphed in the 10th when Musial walloped his 26th home run of the year with a mate aboard. Musial also collected a pair of hits in the nightcap.

Snider hit his 30th and 31st home runs for Brooklyn. The first came in the seventh of the opener to overcome a 1-0 Pittsburgh lead and give Sal Maglie his sixth victory. The blow came after Junior Gilliam had singled for the first hit off loser Bob Friend. Pittsburgh's four runs in the eighth on the nightcap were unearned, all runs coming after Don Zimmer's error.

Ernie Banks helped Bob Rush gain his fourth victory for Chicago, driving in three runs with a double and his 27th home run.

By THE ASSOCIATED PRESS

BATTING — Yogi Berra, Yankees, collected five hits and drove in five runs, including all three in the second game, as the New York Yankees swept a double-header from Baltimore 7-0 and 3-2.

PITCHING — Vinegar Bend Mizell, Cardinals, shut out the Milwaukee Braves with four hits as the Cardinals defeated the league leaders 8-6 in 10 innings and 6-0.

OLYMPIC CHAMP, PATTERSON BOUT THURSDAY NIGHT

By MURRAY ROSE
The Associated Press

Boxing history could be made in more ways than one Thursday night when Olympic champion Pete Rademacher makes his pro debut against world heavyweight champion Floyd Patterson in Seattle's Sick's Stadium.

The unique bout, roundly condemned as a mismatch by boxing authorities the world over, marks the first time an amateur heavyweight titlist will make his first pro fight against the world's heavyweight king.

There is no betting line whatsoever. It is scheduled for 15 rounds but could wind up as the quickest heavyweight title fight on record. Tommy Burns holds the record. He stopped Jem Roche in 1:28 of the first round at Dublin, Ireland, March 17, 1908, according to the Ring record book. Joe Louis' knockout of Max Schmeling in 2:04 of the first round, June 22, 1938, is the second fastest.

Needs Early Win

Rademacher, 28, a balding, former football player, almost certainly has to nail Patterson early if he has any chance at all. The big fellow, who stands 6 1½ and weighs 210, is a slow-moving fighter with fairly fast hands and a good punch. We saw him dropped in the first round by Dan Bekker, a stocky South African, in the Olympic semifinals at Melbourne. But Pete jumped up quickly and stopped his rival.

Patterson, 22, six feet and 185 pounds, is not invincible. Three years ago he was floored by Jacques Royer, a light hitting French middleweight. Patterson, a middleweight himself then, recovered and stopped Royer in the seventh round. His pro record is 32-1 including 22 kayos. His defeat was an eight-round disputed decision to light heavyweight champion Joey Maxim June 7, 1954.

No Broadcasts

In his last defense July 29, Patterson butchered Hurricane Jackson in a 10-round TKO. Jackson went to the hospital afterwards.

Rademacher won 72 of his 79 amateur fights, including 35 by knockouts. In the Olympics he swept all three of his fights by technical knockouts.

The bout is scheduled to start at 10 p.m.—1 a.m., EST. It won't be radio broadcast or telecast. Referee Tommy Loughran, one-time light heavyweight champion, will be the only ring official.

In sharp contrast to Rademacher's grand splurge, Len Kanthal, a strapping, ex-Marine who claims a victory over Pete, will fight a six-round semifinal for $150 at New York's St. Nicholas Arena tonight. Unbeaten in eight pro fights, Kanthal, of Washington, D. C., will meet John Henry of New York.

Other Matches

The feature television (Dumont, 9:30 p.m., EST) 10-rounder at St. Nicks matches veteran lightweights Lulu Perez of Brooklyn and Bobby Bell of Youngstown, Ohio.

Lightweight champion Joey Brown, overshadowed by the Patterson-Rademacher fuss, takes on Joey Lopes of Sacramento, Calif. in the Wednesday night television headliner (ABC 9 p.m., EST) at Chicago Stadium.

Isaac "Kid" Logart, sleek Cuban welterweight contender, opposes clever Walt Byars of Boston in the Friday night radio-television (NBC 9 p.m., EST) feature at the Detroit Olympia.

TITTLE MAKES 11 OF 12 TRIES

By THE ASSOCIATED PRESS

One warmup session was all Y. A. Tittle needed to show his San Francisco 49er bosses that the years haven't dulled his aim.

Now starting his 10th season as a professional, Tittle completed 11 out of 12 passes Sunday in San Francisco to lead the 49ers to a 24-15 exhibition triumph over the National Football League champion New York Giants.

All told, Tittle's connections ate up 187 yards and one was good for a touchdown.

The Giants operated without the services of regular halfbacks Frank Gifford and Alex Webster, both on the ailing list.

Colts Top Eagles

The Baltimore Colts turned back the Philadelphia Eagles, 17-10, in Hershey, Pa. and the Chicago Bears stopped the Pittsburgh Steelers, 24-7 in Jacksonville, Fla. Saturday night.

Baltimore held a 14-7 halftime edge and never was headed although rookie Andy Nelson had to drag down Bill Stribling in a desperation tackle on the 5-yard line with less than a minute left.

The Steelers helped beat themselves by permitting the Bears to turn two pass interceptions into touchdowns. In addition, Perry Jeter ran 73 yards through the entire Steeler team with a punt return in the first quarter.

Gettysburg Netmen Defeat York Sunday

The Gettysburg Recreation Association tennis team won a match Sunday from a York team in matches played here. The Gettysburg players swept five singles matches and then split with York on two doubles matches.

Ed Nowicki shut out his opponent, David Houseman, 6-0 and 6-0. Kime Sundermeyer defeated Terry Schweitzer 6-2 and 6-0 and Charles Lighter took his match over Rick Sprintenburg 6-1 and 6-2.

In the doubles Rod Steinour and Sundermyer defeated Houseman and Schweitzer 6-1 and 6-2 but Sid Steinour and Nowicki bowed to Coldren and Learned 6-2 and 6-3.

Mrs. Roy W. Gifford and Philip M. Jones won the Scotch Sixsome golf tournament Sunday with a low net score of 67 in play that opened at 9 o'clock Sunday morning and continued through much of the day.

There was a tie for second low net score at 68 by these two teams: Mrs. T. R. Sleichter and Frederick Tilberg and Mrs. P. J. McGlynn and Floyd Brown.

Third best score was turned in by Mrs. Paul Zeger and Dr. Robert Lefever with a 70.

Sportsmanship awards were given to Mrs. George Bender and Charles Pitzer and to Mrs. Jacob Britcher and R. L. Pittenturf.

CUBS IMPROVE LATE IN SEASON

CHICAGO (AP)—Where would the seventh-place Chicago Cubs be today if at the start of the season they had the same team they have now?

"I don't know," says Manager Bob Scheffing, "but I think we'd be a lot better off than we are." The Cubs are riding a six-game winning streak and have won 12 of their last 15 games. Scheffing believes they have knocked both St. Louis and Cincinnati out of the pennant picture.

"This is a different team than opened the season with us," said Scheffing. "I don't know where we'd be if we started out this way, but we'll cause a lot of trouble from here on in.

Good Hitting

"We've beaten St. Louis six straight and now we're beginning to catch up to Cincinnati by taking the last three games."

The Cubs beat the Redlegs 8-2 yesterday. Rain wiped out the second game of a double-header with Cincinnati ahead 4-2.

"We're a better club than when we opened the season," says Scheffing. "We have Bob Speake in center, a sound Dale Long at first and then there's Chuck Tanner, Bob Morgan and Bobby Adams. Also we're getting some pretty pitching from Dick Drott, Bob Rush, Moe Drabowsky, Jim Brosnan and Don Elston."

Elston and Brosnan are newcomers who have perked up the Cubs, but Scheffing credits a lot of Chicago's recent success to hitting.

MUSIAL LEADS BATTERS IN N L, AARON IS THIRD

By CHUCK CAPALDO

MILWAUKEE (AP) — Stan Musial of the St. Louis Cardinals, who says he's "just an old man struggling along," today was at the head of the National League's batting class with an average of .333.

At the same time, Hank Aaron, 23, of the National League leading Braves, still hornet-mad over "bean balls" allegedly thrown his way by St. Louis pitchers, dropped to a three-way tie for third place with a mark of .327. Dick Groat of the Pirates is second with .331.

Going into the Cards-Braves' four-game set Friday night, Aaron was head man with a .334 average, one point higher than Musial. "The Man" collected seven for 20 during the series, which left the Cards 6½ games behind the Braves.

Scores 5,000 Bases

By getting four hits in yesterday's "day and night" doubleheader that wound up at 9:48 p.m. due to two long interruptions caused by rain, Musial climbed to 11th place on the all-time list of total hits and became the sixth player in history to reach the 5,000 mark in total bases.

He has 2,933 hits — three more than Rogers Hornsby and Jake Beckley—and 5,001 total bases. Ty Cobb, Babe Ruth, Tris Speaker, Lou Gehrig and Mel Ott are the only others who have exceeded 5,000 total bases.

Needs Hot Streak

Musial, 36, whose 10th inning home run gave the Redbirds an 8-6 victory in the first game, believes a mark of .340 should be enough to win the NL batting title "easy."

"The man who goes on a real hot streak will win it," predicted the star "Anybody can go on one."

Musial, to whom surpassing the standards of his predecessors is getting to be old hat, said the 3,000-hit standard is the big one for him. He should have no trouble this season surpassing Ott's NL standard of 5,041 total bases.

Aaron, whose only concern is to break out of a batting slump that has shaved 30 points off his average in a month.

League Meeting This Evening

The final meeting of the year of managers and sponsors of teams in the Big Little League will be held at the Elks Club tonight at 7:30 o'clock, Glenn L. Bream, president, announced today.

"We earnestly hope that all will be present at tonight's session so that we can close our season's books. We also urged all those who sold tickets for the Ricky Weikert Memorial playoff games to report not later than tonight so that we can make a public report in Tuesday's edition of the Gettysburg Times," Bream said.

League officials were hopeful that at least $750 tickets have been sold.

VOTE TODAY ON GIANTS' HOME; EXPECT OKAY

By ED CORRIGAN

NEW YORK (AP)—The board of directors of the New York Giants went into closed session today to vote on whether to accept President Horace Stoneham's proposal to move the team to San Francisco.

Their approval was expected to be virtually unanimous, thus leaving the way clear to iron out details.

Only last month, Stoneham said that if any of the nine directors attending the meeting was against moving westward, he would not try to persuade the dissenters to vote with him.

Figures Quiet Talk

There was some talk that some of the directors were unhappy at the thought of deserting New York but once Stoneham got around to citing facts and figures, the talk died down.

Stoneham, it was learned, was ready to tell the directors almost exactly what he has revealed publicly over the course of the past month—that the San Francisco offer is "very firm and very fair," that the bid includes a 45,000 capacity stadium along with control of the concessions.

The Giants cleared only $20,000 last season and Stoneham is certain that they could make between $200,000 and $300,000 operating in San Francisco in 1958.

Eastern League

By THE ASSOCIATED PRESS

The Schenectady Blue Jays looked on helplessly last night as their weekend gain in the Eastern League pennant race strolled away.

Blue Jay hurler Don Erickson, with the bases full of Giants in the 11th inning, presented visiting Springfield with a 3-2 victory by walking the next batter.

Schenectady's loss, combined with a victory by league-leading Binghamton, dropped the Jays to 2½ games behind in second place. They had moved up to the 1½ spot Friday and held it Saturday.

Win 4-1

Binghamton's triumph was a 4-1 decision over the Reading Indians, as Cleo Lewright pitched three-hit ball until relieved in the sixth inning. The defeat dropped third-place Reading back a game, to five games out.

At Albany four Senators hits were effectively scattered by Allentown's righthander Jack Wall, who won the game 7-1 for the Chiefs.

In Saturday's games, Reading edged Binghamton, 2-1; Springfield did the same to the Blue Jays, 6-5, and Albany smothered the Chiefs, 15-5.

Tie For Fourth Place Causes Extra Playoff For South Penn Ball Circuit; Meet Thursday

Littlestown, 11; Arendtsville, 3.
Bonneauville, 4; Greenmount, 3.
Hunterstown, 4; Mummasburg, 3 (11 innings).

The South Penn Baseball League ended its regular season Sunday with Bonneauville and Mummasburg tying for fourth place in the regular standing.

League president Robert Krichten, Hanover R. 4, said this morning a meeting of representatives of the two teams with league officials will be held Thursday evening at 8 o'clock in the Albert J. Lentz American Legion Home, Baltimore St., to set plans for the playoff of the fourth place tie. He added that he will recommend that a one-game playoff be held next Sunday between the Bonneauville and Mummasburg teams.

The fourth spot holder must be determined before the four top teams can begin their series of playoffs to determine the circuit playoff titlist. Originally the playoffs between the four top were scheduled to begin next Sunday, but the tie for fourth will apparently postpone those contests by one week.

Two tightly played games led to the tie for the fourth spot.

Bonneauville, which has been in fifth place, eked out a 4 to 3 victory over Greenmount. It took third place Hunterstown 11 innings to down fourth-place Mummasburg, 5 to 3.

Hunterstown came from behind to score its victory. Each squad tallied once in the second inning at Mummasburg. Both were scoreless in the third, then Mummasburg pushed across its second and third runs in the fourth inning, while Hunterstown scored its second. That left Mummasburg leading 3 to 2 going into the ninth innings. Hunterstown scored in the ninth frame to tie the game at 3 to 3.

Neither scored in the tenth. Ir the' eleventh Jay King and Bill Hankey both singled and Tom Englebert came through with a double to score the two and win the game. A highlight of the Hunterstown - Mummasburg game was the outstanding play of Johnny King, Hunterstown shortstop. King, a graduate of Gettysburg High School last June, has been watched by several big league scouts so far, and has turned down one offer from a major league ball club.

Tight Duel

Equqally exciting was the tight duel between Greenmount and Bonneauville on the victor's diamond. Bernard Sneeringer, Bonneauville manager, gave up five hits to the visitors while his squad secured nine hits off Little. Little and Browner were the battery for Greenmount, Sneeringer hurled throughout for Bonneauville while Jim Strausbaugh and Charles Shanebrook took turns catching.

Genmount came through with two runs in the fourth, added its third tally in the fifth. Bonneauville secured two in the first, another in the third and got its winning run in the fifth. Young Gerald Shanebrook, third baseman for Bonneauville, and a high school student, reached base on a fielder's choice, made it to third when the next man hit, and then came in on Johnny Clabaugh's single with the winning run.

It took ten innings to do it, but Emmitsburg moved out of the bottom spot in the Pen-Mar baseball league standings Sunday and by doing so threw the top position in the circuit into a tie.

In a slugfest at Emmitsburg, the home team punched out 13 runs, in a game that went an extra inning, to defeat the league leading Union Bridge squad 13 to 12.

At the same time second place Blue Ridge Summit won a 10 to 3 victory over Cashtown to enter into a first-place tie with Union Bridge. Blue Ridge took a 3 to 1 lead in the first inning and clinched its victory by adding three more runs in the second behind the heavy bats of shortstop Calimer and second baseman Scott, both of whom pounded out homers during the contest. Fairfield defeated Taneytown 4 to 0 in the other game Sunday afternoon. The victory for Emmitsburg, coupled with Cashtown's defeat, moved Emmitsburg to fifth place in the standing and dropped Cashtown to the last position.

DEMOCRATS TRY TO MOVE CIVIL RIGHTS BILL ON

WASHINGTON (AP) — Northern Democrats moved today to pry the civil rights bill out of the House Rules Committee. But Republicans held aloof in hopes of getting a measure closer to President Eisenhower's program.

Four Democrats on the 12-member rules group planned to present a formal written demand for a meeting of the committee to take up the bill.

With four of the committeemen being Southern Democrats bitterly opposed to civil rights legislation, the Northern Democrats needed the help of at least three of the four GOP members of the committee to force the bill to the House floor for action.

GOP Strategy

But for the moment at least, the Republicans were reported withholding support.

GOP strategy reportedly was to utilize the Republican balance of power on the committee to seek concessions from the Northern Democrats who want the House to accept the Senate civil rights bill with a jury trial amendment narrowed to voting rights cases.

The House originally passed a bill that conformed generally to posals. It would give the attorney general authority to seek federal court injunctions against violations of civil rights in general. Persons violating such injunctions could be jailed by a judge for contempt and there would be no jury trial.

Stripped By Senate

The Senate stripped from the bill the general civil rights authority and limited the injunction provision to voting rights cases. Then it wrote in a requirement that jury trials must be granted in most criminal contempt cases. This requirement would apply not only to voting rights cases but to a wide range of cases having nothing to do with civil rights.

The Eisenhower administration is strongly opposed to this jury trial provision in criminal contempt cases, claiming it would hinder judges in enforcement of their orders and hamper federal regulatory agencies.

Some House Democrats, including a number of Northerners favoring a stronger measure than the Senate bill, have indicated a willingness to settle now for the Senate version with the jury trial amendment limited to voting rights cases. Rep. Celler (D-NY) has proposed a compromise along this line.

Late last week, all signs indicated that the Republicans were ready to throw in the sponge and accept the proposed Democratic compromise.

But after House GOP Leader Martin of Massachusetts conferred with Eisenhower Saturday, the Republican position appeared to harden.

Martin told newsmen after the White House conference that Eisenhower still is not in favor of the proposed compromise.

"There is no weakening in our position," Martin said. "We want a bill as first proposed by President Eisenhower that will adequately protect the voting rights of millions of our citizens."

Throws $800 Away, Has $600 Returned

PROVIDENCE, R. I. (AP)—Police said today an unintended test showed Providence residents are honest to a large degree.

The unintentional test began Saturday night when Gordon Reid, 26, tossed $800 in small bills from the roof of an apartment building where he is superintendent.

He admitted in court later he was under the influence of svral drinks.

Traffic was tid up for some time as men, women and children scampered to collect the bills.

Residents read in the Sunday Journal that the money was not Reid's and he had no right to toss it away.

Up to last night, 35 persons had returned $600 of the money.

WOULD REQUIRE REPAYMENT OF LOANS OF U.S.

WASHINGTON (AP) — With the administration battling to restore House cuts in foreign aid funds, Sen. Mundt (R-SD) moved today to require repayment of economic loans it proposes to make.

Mundt announced his proposal as the Senate Appropriations Committee prepared to hear administration spokesmen plead for restoration of $809,650,000 cut by the House from new foreign aid funds.

Would Ask Repayment

Mundt said he has drafted a proposal to require annual repayments on any loans made from a two-year economic development fund Congress has authorized.

"I think we should establish the principle that these loans are going to be repaid," Mundt said. "I am not particular how much money is paid back annually and I am perfectly willing to agree to some emergency exceptions.

"But it will be better for us and for the recipient counties if they understand from the beginning that they must meet the annual interest payments and at least make a token payment on the principle.

Minimum Of Security

"I don't think we should permit a situation to arise where a country that has received a loan can go along for three or four years without paying on either interest and principle and then ask that both be canceled. That sort of thing is bad psychology from both their standpoint and our own."

Congress has authorized a 500-million-dollar outlay for the fund in the first year and 625 millions in the second year. The development fund was proposed by Dulles as a sort of "new look" for overseas economic aid. The House cut the first-year money allotment for this fund to 300 millions.

The money would be loaned with a minimum of security to underdeveloped countries for economic projects. The general understanding has been that the United States would regard these in the category of soft loans on which repayments would be slow in coming.

NARROW DRAFT AGE

WASHINGTON (AP)—Sen. Francis Case (R-SD) said today he will ask Congress to raise the present minimum draft induction age from 18½ years to 20 and lower the maximum age from 26 to 25 years.

"We have such a large manpower pool now that we are making an unwarranted period of liability on the civilian population," Case said in an interview. He is a member of the Senate Armed Services Committee.

WILL DIG INTO CHATTERING OF PHONY LOCALS

By JOHN CHADWICK

WASHINGTON (AP) — Elnar O. Mohn, executive vice president of the Teamsters Union, was called for questioning today about testimony that he issued charters for phony locals in New York in a power plat engineered by James R. Hoffa.

Hoffa, Midwest boss of the Teamsters and heir apparent to Dave Beck as president of the giant union, also is slated to testify before the Senate Rackets Committee tomorrow, or possibly late today.

The committee neared the end of its probe into charges that Hoffa teamed with racketeer Johnny Dio and other New York mobsters in an effort to extend his sway into the New York area.

Balked Last Week

Mohn, Beck's right-hand man in the union, balked at answering questions about other Teamster affairs when he appeared last winter before the regular Senate Investigations subcommittee.

He challenged that group's jurisdiction. He was cited for contempt of Congress and now is awaiting trial.

However, Mohn told a newsman he would answer the Rackets Committee's question without invoking any Fifth Amendment privileges against possible self-incrimination — a widespread practice mong previous committee witnesse8

Was Hoffa's Plan

Thomas L. Hickey, a Teamster vice president and a candidate for union president, told the committee last week Hoffa originated the plan to set up the phony locals in an effort to assure additional votes for his candidate, John O'Rourke, for president of the New York Joint Council of Teamsters. These locals, with officers but no members, had voting rights in the council election.

The establishment of the locals was denounced as a fraud against the union by Martin Lacey, whom O'Rourke unseated. O'Rourke, in an earlier appearance before the committee, declined to answer questions about Teamster affairs, the election or any relationship between him and Hoffa.

Hickey and Lacey, in their testimony, named Mohn as the union official who actually issued the charters for the phony locals. They said he acted at Hoffa's equest.

Denounced By McClellan

Chairman McClellan (D-Ark) of the Rackets Committee, in denouncing what he called the "bogus charters," told newsmen the evidence showed "there was a conspiracy to procure and make use of these charters for fradulent purposes and unworthy objectives."

He said it also showed the charters were issued to gangsters, criminals and racketeers both for rigging the joint council election and to serve hoodlums "as a kind of hunting license to prey on legitimate businesses and honest working people and union members."

Reuther Asks Auto Big 3 To Cut Prices

DETROIT (AP) —Walter P. Reuther, president of the United Auto Workers, has asked the auto industry's Big Three to cut car prices in return for modified union contract demands.

There was no immediate comment from the auto firms.

Reuther wrote the heads of Chrysler Corp., General Motor Corp. and Ford Motor Co. asking them to cut auto prices by at least $100 a car. He said in return the UAW would modify its new contract demands next year.

The labor leader called his plan a "positive and practical proposal for making an effective beginning in stopping and reversing the inflationary trend."

Reuther told the auto leaders, whose contracts with the UAW run out next spring around June 1, that "we are not asking you to take any risk that we are not prepared to share."

late Charles Tate.

Across Race Horse Alley from Hop Lee was the residence of Mrs. Simon Diller. She and her four daughters and a son resided there after Mr. Diller, proprietor of the Diller House, now the Hotel Gettysburg, passed away. Diller owned and operated the hotel for many years and resided there until his death.

Two of Mrs. Diller's daughters were the late Mrs. William F. Codori Sr., who later resided at the Codori residence on York St., and Mrs. Tyson Tipton, who now resides on Buford Ave.

* * *

Hop Lee had come to this country through legal channels. His son, however, was later smuggled into the country through Mexico. His stay here was somewhat short-lived and immigration authorities caught up with him and he was deported to China. Hop Lee later returned to China to rejoin his family.

While in Gettysburg Hop Lee acquired a savory taste for home-made noodle soup and American stews such as Mrs. Diller made and of which Lee usually received generous servings. Incidentally Lee and his son wore the traditional Chinese pigtails.

* * *

Lee was grateful to his generous Gettysburg neighbor and in return gave lychee nuts to Mrs. Diller. They had been sent him by his wife from China. The Dillers were very fond of the tasty pieces as were others in Gettysburg who tasted of the nut.

Granchildren of Mrs. Diller now residing in Gettysburg well remember Hop Lee and his gifts of lychee nuts. They also recall how they purchased punk from Hop Lee around the Fourth of July. They also purchased joss sticks from Lee. These were incense sticks which the Chinese burned in front of their idols.

If you're interested here's a few more words about the lychees. "It is said that no one who has ever tasted the delicate flavor has failed to like it. The fruit, wrapped around a nut-like kernel, and covered by a prickly (in appearance only) shell, is extremely subtle. Some compare it to that of a rare grape. Others to fine wine. Research experts of the University of Miami and the University of Florida, who are working on marketing problems, say that the fruit has great medicinal properties, and is full of vitamins."

To reverse Horace Greeley's advice, go East, young man, go East — if you want to be safe, that is!

That's where you'll find the states with the lowest motor vehicle deaths rates, according to the National Safety Council.

They are Rhode Island, Connecticut, New Jersey and Massachusetts. Among the top five, too, is the District of Columbia.

Rhode Island, with 2.3 traffic deaths per 100 million vehicle miles, had the lowest mileage death rate of any state.

It also led the previous year.

"Twilight Time" was immortalized in a once-popular song.

But safety men of today would just as soon forget the "twilight time" of 1956 — as usual the most dangerous time of day in traffic.

More fatal traffic accidents and more auto mishaps of all kinds occurred from 4-8 p.m. than during any other four hours of the day.

* * *

Sixty thousand lives were saved last year — through safety.

The accident death rate in 1956 was nearly 40 per cent lower than for the five-year period of 1908-1912 — or 60,000 fewer than would have been killed at the old rate. This progress was achieved despite present-day hazards growing out of the speed-up mechanical age.

Greatest improvement in accident prevention ranged from 31 per cent for persons 65 years old and over to 54 per cent for children four years old and younger.

The death rate for persons 15-24 years old was as high as it was nearly 50 years ago.

tiny heart-shaped seed pearls and sequins. She wore matching white mitts with a velvet bow and carried a white Bible, a gift of the bridegroom, topped with a white orchid, from which fell a shower of white satin streamers. Her only jewelery was pearl earrings.

Sister Is Attendant

Miss Ruth Bretzman, Bendersville, sister of the bride, was the maid of honor. She wore an orchid ballerina length gown of nylon net over taffeta with embroidered roses and had a scalloped edge on the full skirt and with a fitted bodice. She wore a matching jacket, white mitts, white shoes and a headpiece of white flowers. She carried a sunburst bouquet of yellow gladioli. The bridesmaids were Miss Sara Bretzman Bendersville, sister of the bride, who wore a Nile green gown identical to the maid of honor and carried a sunburst bouquet of pink gladioli, and Miss Susan Behney, York Springs R. 2, sister of the bridegroom, who wore a shrimp gown identical to the maid of honor, and carried a sunburst bouquet of cocoa gladioli. Both wore headpieces of white flowers, white shoes and wore white mitts. Their only jewelry was pearl earrings, a gift of the bride.

The best man was Stanley Reinecker of York Springs R. 2 and the ushers were William Lehman, York Springs, and Ivan Bretzman, Bendersville, brother of the bride. The taper lighter was Charles Bretzman, Mechanicsburg, cousin of the bride. All the male attendants wore navy blue suits with white carnations.

Reception Is Held

The flower girls, Misses Nancy and Martha Bretzman, Bendersville, nieces of the bride, wore yellow nylon net dresses over nylon with white flocked print. Their headpieces were hands of yellow flowers and they carried baskets of mixed yellow flowers.

The groom's mother wore a pink linen dress with white accessories and wore a rosebud corsage.

A reception was held immediately after the ceremony for approximately 150 guests in the social room of the church and was served by Mrs. Harold Garretson, Mrs. Luther Horrick, Mrs. Carol Kessel, Mrs. Earl Starner, Mrs. Arthur Kuntz and Mrs. Marvin Kime, all members of the bride's Sunday School class. The bride's table was decorated with a 3-tier wedding cake.

Visiting Niagara

As her going away outfit, the bride chose an orchid box style suit with a white lace Dutch boy collar and cuffs and wore white accessories and a white orchid corsage. The couple left immediately on a wedding trip to Niagara Falls and Canada. Upon their return they will live in their newly redecorated home at York Springs R. 2.

The bride is a graduate of Biglerville High School and is employed at the Ships Parts Control Center, Mechanicsburg. The bridegroom is a graduate of York Springs High School and is engaged in farming.

Guests were from Baltimore, Philadelphia, Harrisburg, Mechanicsburg, Carlisle, Camp Hill, Lemoyne, Palmyra, Mt. Joy and surrounding communities.

SELL REUNION HELD ON SUNDAY

One hundred and forty-eight members of the clan and several visitors were in attendance at the 12th annual reunion of the Sell family, held on Sunday afternoon in Christ Church picnic grove, near Littlestown, the largest number in attendance since the first gathering of the group on August 18, 1946, when 69 were registered. Following a basket lunch at noon, there was a program and business meeting. Herbert J. Sell, Littlestown, president, conducted the meeting and extended a welcome. A prayer, written specially by the Rev. James A. Sell, who passed away in 1948 at the age of 102, was offered by the Rev Kenneth D Sell. Mrs. Paul E. Altoff presented the secretary and treasurer's reports.

The following program was presented with P. Emory Weaver, Littlestown, chairman of the committee: piano solo, Betty Lou Sell; vocal quartet, Larry, Peggy, Bobby and Gerry Altoff; vocal solo, Peggy Altoff; guitar solo by Bobby Altoff; harmonica selections, Cyril Hockensmith, with Herbert J. Sell as piano accompanist; guitar solo, Larry Altoff.

Edwin A. Sell, who moved recently to Littlestown from Belleville, N. J., following completion of fifty years in the employ of the Dixon Pencil Co., reported for the committee appointed at the 1956 reunion to prepare historical data on the clan, and there was some discussion concerning the possibility of having a Sell family book published. Rev Kenneth D. Sell, who was recently accepted by the Mission Board, and who will leave this week with his wife and family for the Republic of Honduras, outlined briefly plans for missionary work there among the people of Spanish and Indian descent, and expressed the hope that he would be able to return after three years, when he will be granted a furlough, to tell of his work. There was a report of deceased members and a moment of silent prayer observed. There was also a report of births and marriages since the last reunion.

Officers Chosen

Officers were elected as follows: president, Clayton Sell, Hanover; vice president, Edwin A. Sell, Littlestown, and secretary-treasurer, Mrs. Paul E Altoff. Mr. and Mrs. Gerald Sell and family, Waynesburg, Ohio, and Mr. and Mrs. Floyd Sell and family, Dearborn, Mich., were introduced to the clan. Anna Mae Sell, Hanover, requested that information concerning the Sell ancestors would be gratefully accepted by the historical committee and, at her suggestion, a committee was appointed to investigate the possibility of restoring the tombstones of Sell ancestors in the Christ Church Cemetery. The committee includes Stanley R. Sell, Anna Mae Sell, John N. Sell and Edwin A. Sell. It was voted to present a going-away gift to the Rev. Kenneth D. Sell, the selection to be made by Edwin A. Sell. It was decided to hold the 13th annual reunion on the third Sunday of August, 1958.

Awards were presented by Glenn Unger, chairman of the prize committee, to Mrs. Annie Sell Folmer, 78, the oldest woman present; Clayton Sell, 78, the oldest man present; Mr. and Mrs. Arthur Roller, couple married the longest, 52 years; Mr. and Mrs. Raymond Reindollar, couple married the shortest time, eight weeks; Mr. and Mrs. Floyd Sell and family, coming the greatest distance, 484 miles, from Dearborn, Mich.; Karen Rabensine, 4-month-old daughter of Mr. and Mrs. Harold Rabenstine, youngest girl present and Stephen Bechtel, 3½-month-old son of Mr. and Mrs. Robert Beachtel, youngest boy present. Special awards were received by Arthur Lentz, Jr., and Suzanne Roller. A silver offering was received to defray the expenses of the reunion.

Committee chairmen appointed by the new president for the 1958 reunion were Miss Janet Sell, program; Mr. and Mrs. Glenn Roller, prizes; Mrs. Robert Bechtel, games, and Mrs. Paul E. Altoff, refreshments. Following "Blest Be The Tie," there were group games enjoyed by both children and adults; softball and horseshoes were also on the program, and Mrs. Laverne Louey was game chairman. Dean J. Sell was chairman of the refreshment committee and ice cream was provided for all present.

CAN CONTROL EFFECTS FROM ASIATIC FLU

UNIVERSITY PARK, Pa., (AP)—Dr. Berwyn F. Mattison, state health secretary, said today that secondary infections that follow Asiatic flu can be "effectively combatted" by present-day antibiotics.

"It is reassuring to note that so far the cases reported have been extremely mild," he said. "It is likely that the mortality associated with an outbreak of this disease will be through the effects of secondary invaders."

Dr. Mattison went on to explain to the 6th annual Health conference that these secondary diseases can be controlled for the most part by antibiotics.

Attend Conference

More than 1,000 public health workers registered for the four-day session opening today. The conference is sponsored jointly by the State Health Department and private health groups.

The subject of Asiatic flu, a new one at these conferences, took up a sizeable portion of Dr. Mattison's speech which dealt in general terms with health problems in the state.

Dr. Mattison described Asiatic flu as "a new and perhaps even more extensive epidemic problem" than polio and diphtheria.

State laboratory facilities to diagnose the disease positively will be pressed into action as soon as cases start to develop in the fall and winter, said the health secretary.

"10 Most Wanted"

Dr. Mattison listed 10 diseases as the "10 most wanted criminals" threatening individual health and common welfare.

They range from heart disease, the No. 1 killer, down to tuberculosis, now in 10th place.

Dr. Mattison also outlined the status of these other problems:

Polio—The number of cases of polio reported so far this year in Pennsylvania is 23, less than half the number at the same time in 1956.

School Health—The health secretary described the 1957 school health law as "a milestone in Pennsylvania's health services to children."

Radiation Exposure — His department, he said, is one of the few in the nation that has established regulations for radiation exposure from X-rays and other radioactive sources.

Atmospheric Pollution — Dr. Mattison called for a study of pollution of the atmosphere as the possible source of disease.

HUNTINGDON, Pa. (AP)—A room at Juniata College is being exclusively reserved for red-haired coeds.

When a new dormitory opens here in November the room will be ready—decorated in pale gold. It was given to the college by Capt. Will Judy, a Chicago publisher.

On the wall will be a plaque reading: "In honor of Ruth Judy, titian-tressed wife of Will Judy, Class of '11."

HARRISBURG, (AP) —The State highway system will grow to 41,607 miles next Jan. 1.

The State Highways Department said new laws added 209 miles of township, borough and city roads to the list of highways that will be maintained by the state.

Oxford To Press For Road Reconstruction

PHILADELPHIA (AP) — The Oxford, Pa., Chamber of Commerce says it plans to send a delegation to Harrisburg to press for the reconstruction of a 10-mile stretch of the Baltimore pike.

Morris Gold, secretary of the chamber of commerce, said yesterday the chamber hoped to convince the state highways department of the need for improving the pike, part of U.S. 1 between the Pennsylvania-Maryland line.

Gold said more than half of the community's business is provided by customers from Maryland and that future prosperity in the locality is threatened by the "discouraging" condition of the road.

He said the delegation will leave for the capitol Thursday.

Accidents Kill 18 In State Over Weekend

By THE ASSOCIATED PRESS

Eighteen persons, 11 of them children or teen-agers, met death accidentally in Pennsylvania over the weekend. There were 11 traffic fatalities.

Four of the 11 youngsters were infants. They died in separate accidents from auto crashes to a fall down stairs.

In the 18 total, there were two drownings, three died after falls, a girl was burned to death and a 17-year-old was shot accidentally by his brother.

There were no multiple fatal automobile accidents.

FALLS CURVE

HAMBURG, Pa. (AP)—A 47-year-old Berks County man was killed yesterday when the car he was driving failed to take a curve, rolled down an embankment and landed in a field about four miles from here.

Police said they found the body of Roy Flynn, Hamburg, in the battered auto. Flynn suffered head and body injuries.

SIX POISONED AFTER FUNERAL

MOUNT CARMEL, Pa. (AP) — Three of six persons stricken with food poisoning late Friday after attending a relative's funeral remained in Ashland State Hospital today for observation. They were reported in good condition. The remaining three victims were discharged yesterday.

Reported in good condition were:

Andrew O'Neal, 70, of Philadelphia; his son Edwin, 43, of Locust Gap, Pa., and a nun also from Locust Gap. The hospital refused to identify the nun.

Released were:

Mrs. Ella Smith, 55, and Mrs. Elizabeth McCabe, 25, both of Philadelphia, and Mrs. Isabelle Wiley, 63, of Pleasantville, N.J.

The six were stricken in Locust Gap after they attended funeral services for a relative, Edward McCabe. The victims were staying the weekend at the McCabe residence when they became ill.

Chief Boston, New Hampshire football coach, is a lieutenant colonel in the Army reserves.
